About Us

Established in 2020, Deep Engineering & Packaging Solutions has quickly emerged as a leading name in the agriculture and industrial sectors. Based in Ahilyanagar, Maharashtra, our dedication to innovation and excellence drives us to deliver high-quality, cost-effective solutions. As an ISO-certified company, we uphold the highest standards in all our operations.

Our Mission

At Deep Engineering & Packaging Solutions, we are committed to delivering innovative, high-quality products and services that ensure customer satisfaction. Our approach focuses on cost reduction, superior quality, and timely delivery, ensuring we exceed customer expectations. With a highly educated team and a consumer-centric approach, we strive for excellence in every aspect of our business.

Agricultural Solutions

We offer a range of products tailored to meet the unique needs of farmers and agricultural businesses:

- Geomembrane Sheets
- Mulching Papers
- Murghas Bags
- Vermi Beds
- Green Nets
- Shade Tarpaulins
- Agricultural Machinery
- Tarpaulins

Industrial Solutions

Our comprehensive industrial solutions enhance efficiency and productivity:

- Industrial Fabrication Work
- Hot and Cold Line Insulation
- Custom Packaging Solutions
- Material Movement Equipment
- Adhesive Tapes and Slitting Work
- Industrial Safety Equipment
- Industrial Handwear

Hot and Cold Line Insulation

Our specialized insulation services improve energy efficiency, protect equipment, and ensure safety in industrial environments. We offer:

Hot Line Insulation

- **Purpose:** Reduces heat loss, protects personnel from burns, and improves energy efficiency.
- **Applications:** Steam pipes, boilers, hot water systems, and other high-temperature equipment.
- **Materials Used:** Insulating wool, calcium silicate, ceramic fibers, and other high-performance materials.
- **Benefits:** Enhanced safety, reduced energy costs, and prolonged equipment life.

Cold Line Insulation

- **Purpose:** Prevents condensation, maintains low temperatures, and protects equipment.
- **Applications:** Refrigeration systems, chilled water pipes, and other low-temperature equipment.
- **Materials Used:** Polyurethane foam, polystyrene, elastomeric foam, and other effective materials.
- **Benefits:** Prevents condensation-related issues, improves energy efficiency, and maintains desired temperature levels.

Hardware Products

We provide a wide range of hardware products:

- Hand Tools (e.g., hammers, screwdrivers, pliers, wrenches)
- Power Tools (e.g., drills, saws, grinders)
- Fasteners (e.g., screws, bolts, nuts, washers)
- Electrical Supplies (e.g., wires, cables, switches)

MS and SS Equipment

We offer a robust selection of Mild Steel (MS) and Stainless Steel (SS) equipment:

- MS Structures and Frames
- SS Tanks and Containers
- MS and SS Fabrication

Address: Nagar-Solapur Road, Dharewadi, Ahilyanagar - 414001, Maharashtra, India

- MS Industrial Equipment

Weighing Scales

Our range of weighing scales includes:

- Digital Weighing Scales
- Industrial Weighing Scales
- Platform Scales
- Precision Balances

Our Products

We cater to a wide variety of requirements with our extensive product suite:

- Safety Products and Hand Gloves
- Water Tanks
- LLDPE Bags and Rolls
- PE Films
- EVA Bags
- Agricultural Nets
- Industrial Hoses

Projects

We have successfully completed various projects, showcasing our expertise and commitment to quality:

- **Government of Maharashtra:** Large-scale irrigation systems and water storage solutions.
- **Government of Karnataka:** Industrial insulation services and custom fabrication.
- **Government of Rajasthan:** Geomembrane sheets and agricultural machinery.
- **Maharashtra Jeevan Pradhikaran (MJP):** Water tanks and piping systems for rural development projects.
- **Mitsubishi:** Industrial fabrication and insulation work.
- **Straptex India:** Custom packaging solutions.
- **KHS International:** Industrial hoses and safety equipment.
- **PowerLift:** Material movement equipment and industrial safety gear.

Address: Nagar-Solapur Road, Dharewadi, Ahilyanagar - 414001, Maharashtra, India

- **Savy Industries:** MS and SS structures and frames.
- **VVP:** Precision balances and digital weighing scales for quality control processes.

Quality and Delivery

We pride ourselves on our commitment to quality and timely delivery. Our ISO certification reflects our dedication to upholding the highest standards. At Deep Engineering & Packaging Solutions, we believe in "Growing Together" by building strong, lasting relationships with our clients and helping them achieve significant cost reductions without compromising on quality.

Our Team

Our team of highly educated professionals is dedicated to maintaining our high-quality standards and driving the growth and success of our clients.
